Spring is upon us and it's time to shed the winter blues and take pride in Fauquier County and all that it has to offer with the beautiful parks, lakes, trails, and people.

Spring is Here!

Welcome to the Spring 2014 Issue of Good Times!

The holidays are over and we hope they were made more memorable by one or more of the special departmental activities offered throughout the season whether it was the 2nd Annual Teen New Year's Eve Party which was held at the Warrenton Community Center, the first A Just Cause Jingle Jog that raised over \$2,000 for local non-profits, Santa at the Caboose, one of the popular dances at the Marshall Community Center, or any of the other myriad of activities offered.

"We cannot seek achievement for ourselves and forget about progress and prosperity for our community... Our ambitions must be broad enough to include the aspirations and needs of others, for their sakes and for our own." Cesar Chavez

Spring = renewal. Renew your interests and yourself this season by making new friends, learning new skills, becoming healthier or volunteering in your community.

The Fauquier County Parks and Recreation community offers different ways to achieve many of those options. Interested in arts and crafts? Pottery, origami, knitting, jewelry making, birch tree painting, photography, or scrapbooking are just a few of the creative outlets available. If fitness is important, try yoga, tai chi, or Zumba. Now is a good time to jump on summer planning – especially all the exciting camps and aquatic safety courses (swimming lessons, basic water

safety, water safety instructor) that are being offered. For more details about all Fauquier County Parks and Recreation activities, visit the Parks and Recreation department at recreation.fauquiercounty.gov.

As always if you have any needs that are not being met or if there is anything we can ever do better, please feel free to call me or attend our monthly Board meeting, usually the first Wednesday of each month.

We hope 2014 is a great year for you and your community in Fauquier.

National Volunteer Week
April 6-12, 2014

THANK YOU PARKS AND RECREATION VOLUNTEERS

National Volunteer Week is April 6-12, 2014. The Fauquier County Parks and Recreation Department extends a very special thank you to volunteers who have so generously provided support, dedication, and service to the department and the community. Without the support of special people like you who give so generously of your time, talent, and resources, the department could not provide many of the programs and services to meet the needs of the citizens of Fauquier County.

A plaque will be placed on the Volunteer Garden Path in front of the Warrenton Community Center in recognition of 2013 volunteers.

Jingle Jog Recap

On January 1, 2014, the Fauquier County Department of Parks and Recreation held its first annual "A Just Cause Jingle Jog 5K and Fun Miler Run." The event took place at Vint Hill Village Green &

Community Center Wednesday morning, and 107 adults and children participated as registered runners, joggers and walkers. The event's theme was Run for a Reason, as 100% of participants' registration fees were donated directly to a local charity of their choice, including pre-approved private schools, recreational organizations and community service groups.

More than \$2,100 was raised for these organizations. Beneficiaries include Blue Ridge Titans Baseball, Community Touch, Inc., Fauquier Community Childcare, Inc., Fauquier Family Shelter Services, Inc., Fauquier Youth Sports Council, Fresta Valley Christian School, Girls on the Run Piedmont, Greater Fauquier Baseball Little League, Piedmont Dispute Resolution Center, and Saint James Episcopal School.

Winners were selected in various categories, including Largest Family Donation, Largest Group, and Charity with Largest Monetary Donation. Prizes awarded were additional funds, which were allocated to the charity of the winner's choice.

Vint Hill Village Green Band Stand Renovation

A big THANK YOU to Brookside Communities for their contribution of renovating the band stand at the Vint Hill Village Green. The band stand received a complete facelift, with a paint job top to bottom (roof,

railings and under the porch) and new lighting. The renovation is a great improvement to a mainstay of the old Army base and Vint Hill Village Green.

Vint Hill Theater HVAC is Replaced!

After years of continued use of the original air handler and air conditioning system at the Theater on the Green, the air conditioning system has been replaced. The old 7.5 ton system had slowly regressed over the past few

years and finally failed this past summer. Over the fall, a new 15 ton compressor and air handler were installed. The new unit is part of a phased project, and will allow for expansion of a second 15 ton unit, which is optimum for a space the size of the theater. In the meantime, the upgraded system will provide for improved cooling and heating for all patrons of the theater to enjoy.

Arts

Dark Horse Theatre Coming to Warrenton this Spring!

This Washington D.C. based professional theater company will be offering classes for actors of all ages. Learn skills for stage, film, and

public speaking from regional critically acclaimed actors and directors from Washington D.C. and New York. Students are welcome to register for both sessions of class, as students will be challenged as they progress.

Early Stages Acting

This class is for the little one who is drawn to the limelight. All levels are welcome to attend this creative class. Students will explore the fundamentals of acting through

movement exercises, sensory recall, and story telling to become a character.

Ages: 7-12

Location: Vint Hill Community Center

| Code | Day | Dates | Time | Reg. by | Fee |
|------|-----|----------|---------------|---------|-------------|

Acting Up for Teens

This acting class is designed for teens of all experience levels. From teens that have been bit by the acting bug to ones that just wants to improve their public speaking skills, all are welcome. This class will help your teen audition with confidence and build their skills while making friends and having fun. Students will receive accelerated instruction in audition technique, theatrical acting as well as improvisation and movement. Students will also be exposed to beginning monologue work. This will be a fast-paced class focused on creating a well-rounded young performer with abilities in all genres of acting.

Ages: 13-17

Seamless Acting Workshop for Adults

This class is open to students of all experience levels. Students will focus on individual skills as well as group work through scene development. Individual exercises, exposure to varying acting methods, and script work will help to develop strong character choices. Script-work will include scenes from a range of plays to help teach the idea that there is more than one way to become a character. We will explore the motivation behind their directed movement as a core focus of this class. Students will also spend time on developing confidence in auditions by working on "cold readings" and monologues. Students are welcome to bring monologues of their choice to work on in class.

POOL ACTIVITIES

Open Swim

Five lanes of the main pool and the entire wading pool are open for play and recreation. The basketball hoop may be available. Lap lanes are also available at this time. All children under 12 must be accompanied by an adult at all times in the water.

Lap Swim

A time designated for fitness swimming. Lanes are clearly marked with backstroke flags set up at either end of the pool. Lap swim etiquette applies. Two or more swimmers in a lane must circle swim. Swimmers resting or otherwise waiting at the wall should stay far to the right from their own perspective looking back up the pool.

Pool Rentals

Rent our lap and kiddie pools for your special event! Price includes lifeguards and private use of pool. Call Melissa Nester at (540) 428-3768 for details.

The Fauquier Parks and Recreation Board is pleased to announce

The Swim for Life Scholarship Program

The Swim for Life Scholarship Program is committed to teaching the youth of Fauquier County water safety and basic swimming skills. A special trust fund has been established to help fund this effort, the proceeds of which will be available to a limited number of youth in-need for the 2014 swimming season. If you know of a child under age 10 who does not know how to swim, please make their parents aware of this program.

Eligibility: Any Fauquier County youth resident under 10 years of age who is unable to afford swimming lessons. Only one course per person, per calendar year is permitted. This fund is only applicable to Pre-school I, Pre-school II and Level 1 courses. Funding through this fund may not be used in conjunction with any other trust fund account. Applications for scholarships available at any region office.

Swimming Lesson Guidelines

- Students must be able to follow and accept directions and be able to take turns to participate in group lessons.
- Ages and skills provided in the Swim Skills Progression Chart are guidelines set forth by the American Red Cross Learn-to-Swim program. In addition to swimming skills, each level will cover basic water safety.
- Children not toilet-trained must wear swim diapers. (A diaper machine is located near the lifeguard station for your convenience.)
- Students may need to attend several sessions before progressing to the next level.
- Please be aware that some of our classes are offered as combination classes. The instructor will evaluate the participants and divide accordingly.
- If a student enrolls in a lesson that is too advanced for his/her skills, FCPRD staff will make every effort to

accommodate the student by placing him/her in the appropriate level. However, if the appropriate level is not available during the same dates, the registration fee will be refunded or the student may register for the appropriate level offered during a later session. The student will not be allowed to participate in a level that is too advanced for his/her skills.

- The pools are not available for public swim during swim lessons.

Swim Lesson Course Descriptions

American Red Cross Parent & Infant/Toddler – Water Orientation (Ages 6 months to 3 years)

American Red Cross Parent & Infant/Toddler classes are designed to orient young children to the water and prepare them to learn to swim in the American Red Cross Preschool Aquatics Program. These classes give parents safety information and teach techniques to help them orient their children to the water and to provide direction regarding how to supervise water activities in a responsible manner.

LEVEL\REQUIREMENTS 6-36 Months\30 Minute Classes

SKILLS TAUGHT

INFANT\TODDLER I

6 - 18 months
Parents must get in water

Parents are taught to safely work with their child in the water, including how to support and hold their child, to prepare and encourage full participation and try new skills. Water safety topics are introduced and directed to parents. Goals consist of basic skills to help lay the foundation for learning to swim.

INFANT\TODDLER II

18 - 36 months
Parents must get in water

Level 2 builds on the skills introduced in level 1. Participants improve on these skills and learn more advanced skills in level 2. Water safety topics are introduced and directed to parents.

American Red Cross Pre-school - Learn-to-Swim Classes (Ages 3 to 5 years)

American Red Cross Pre-school Aquatics teaches aquatic and safety skills in a logical progression. It is composed of 3 levels. The objective is to start teaching fundamental water safety and aquatic skills in a positive learning environment.

No Slot-Limit for Largemouth Bass on Germantown Lake!

After a few years with a slot-limit in effect to properly balance the size distribution of bass in Germantown Lake, the slot limit has been removed. The only limit remaining in place is the state limit of five bass per day per angler. The fish are biting at Germantown Lake as these photos show!

Germantown Lake at C.M. Crockett Park

Welcome to Spring! The fish in Germantown Lake are hungry, growing bigger, and just can't wait to take your hook. With the beautiful weather there is no better time to have a picnic or hike the trails. The park's nature trail is nearly 1-mile long through the woods. The park's cross-country trail traverses 1.5 miles in mostly open terrain. Enjoy some leisurely boating, have a get together in one of the shelters, play some volleyball or

horseshoes, do some wildlife or bird-watching, or just sit under a tree and read a book. The concession stand is now open Saturday & Sunday and daily beginning Memorial Day weekend. The concession stand sells live bait, fishing tackle, snacks, pizza, ice cream, and cold drinks. You can rent a boat there as well! Crockett Park is open 365 days a year!

The Virginia Birding and Wildlife Trail

Within Virginia's 43,000 square miles of diverse natural habitat, you can find some 400 species of birds, 250 species of fish, 150 species of terrestrial and marine animals, 150 species of amphibians and reptiles, and a wide variety of aquatic and terrestrial invertebrates. The Virginia Birding and Wildlife Trail celebrates this diversity. In fact, it is the first statewide program of its kind in the United States. C.M. Crockett Park, John Marshall Birthplace Park, and Vint Hill Farms Park are distinguished as part of this trail. For more information visit this site: <http://www.dgif.state.va.us/vbwt/> or call the Virginia Department of Game and Inland Fisheries at (540) 899-4169.

Environmental Education & Historical Interpretation Field Trips

Wow! In the past year, over 1,300 children participated in one of the many historical or environmental programs offered through Parks and Recreation. In the Southern Region, these programs are offered at Monroe Park in Goldvein (historical) and C.M. Crockett Park in Midland (environmental). Many of the programs are designed to meet the Virginia Standards of Learning. The cost is reasonable at only \$3 per student per activity. Call one of the parks for more detailed information.

Messier Astronomy Marathon

A Messier Marathon is an attempt, usually organized by amateur astronomers, to find as many 'Messier objects' as possible during warm spring nights. The Messier catalogue of objects was compiled by French astronomer Charles

Messier during the late 18th century and consists of 110 relatively bright deep-sky objects (galaxies, nebulae, and star clusters.) This will be a great opportunity to try to see the Messier objects because many telescopes will be available thanks to the Northern Virginia Astronomy Club. Wear weather appropriate clothing, and bring blankets and snacks. Registration is not required. This is a free event to Fauquier County residents. Go to www.novac.com for program dates and times. Warrenton Community Center

Bring your old computer equipment and electronic items to the Warrenton Community Center parking lot and we will collect and dispose of them in a proper manner. Computers and other electronic items present a disposal problem as they contain components that are toxic to the environment. Electronic products are built from valuable resources, including various metals, plastics, glass, and other materials, all of which use energy to manufacture.. When we discard old electronic equipment, we're literally throwing away these resources.

For a more complete list of items you can recycle at this event call the Central Region Office at (540) 422-8560 or go to recreation.fauquiercounty.gov and select central region.

Vint Hill Theater on the Green

Recommended for theatre-goers 14 and older

Tickets can be purchased at any Parks and Recreation Facility or day of show at the door.

Straight from Washington, D.C., Dark Horse Theatre Company makes its Warrenton debut! *Sunday's Child* – Every parent's worst

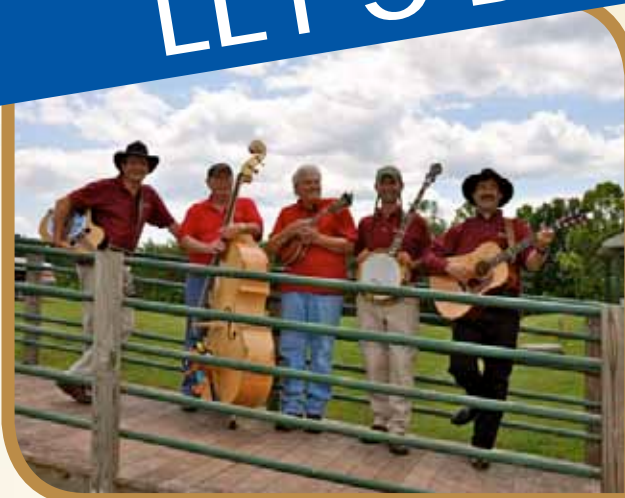

nightmare. Two years ago the Blakemore's four year old son, Toby, disappeared from their backyard. There was no word. No explanation. Nothing. Now it is Christmas and they have gathered again to try to make sense of what happened. Over eggnog and spiced rum, truths are revealed and shocking revelations are made that could destroy this family forever. A play about the power of family and the lengths we will go to protect those we love, *Sunday's Child* asks the question: In a similar situation, what would you do? The production will feature a post-show Q&A with the cast and playwright.

Initiated as a playground track and field program in 1975 in Charlestown, WV, by Dr. Donald P. Cohen, Hershey's Youth Program has become the largest youth sports program of its kind in North America.

The program's goal is to provide a quality recreation program where children have fun and are introduced to physical fitness through basic track and field events, such as running, jumping, and throwing.

Sponsors of the event include the National Recreation and Park Association, the National Association of Sports and Physical Education, the President's Council on Physical Fitness and Sports, and Athletics Canada. The local Fauquier County Hershey's Track & Field Games is sponsored by the Fauquier County Parks and Recreation Department.

Fauquier County residents, ages 9-14 as of December 31, 2014, can participate in the Fauquier County Hershey's Track & Field

Local Meet on, **Wednesday, May 7, 2014, rain date will be May 14, 2014.** This is a free event; however advance registration is required to participate.

Complete registration form and return it, along with a copy of the participant's birth certificate, to any Fauquier County Parks and Recreation office or mail to: Marshall Community Center, 4133 A-Rectortown Road, Marshall, VA 20115. Registrations must be received by Friday, May 2, 2014. Limited registration available on site between 3:00p-4:00p day of event. *Note: Registration form can be photocopied. See registration form for details concerning participation rules and regulations*

Success of this event cannot be achieved without the help of volunteers. To volunteer for this fantastic event, please contact Alicia Ward at (540) 422-8583.

Participants in the 9-10 and 11-12 age groups can enter one field event and two running events or two field events and one running event for a total of 3 events. Participants in the 13-14 age groups may do the same in addition to one relay. **Please circle the desired events below.**

Special Event Review!

Santa at the Caboose

Approximately 108 people waited patiently in the warm evening air to walk through the caboose and visit with Santa. The evening included a festively decorated caboose with Santa; two groups of Christmas carolers (Fauquier High & Heritage Day); holiday music; refreshments including hot chocolate, hot cider and cookies (thank you P&R); a G-scale Christmas train layout; a "fire pit" to warm cold hands and roast marshmallows; and plenty of Christmas laughter and cheer. The weather was perfect for the event (after being rained out the week before). Thanks to the many volunteers from Highland High School, the Heritage foundation and especially the Friends of the Caboose, what a great event! It was a special night for many families.

Rockin' New Year's Eve

Returning for its second year, about 90 youth between the ages of 13-18 enjoyed a fun-filled night of music, dancing and flashing lights. Thanks to Cosmos and Midland Band for the music. No teen party is complete without snacks, drinks, pizza and cookies all donated by local businesses and individuals.

Featured Facility

Rady Park Arboretum

While much of Rady Park is owned and operated by the Town of Warrenton, the back section of the park is owned by Parks and Recreation. Contained within that section resides the Rady Park Arboretum. The arboretum was created by the Fauquier County Master Gardeners and exists to inform the public about alternatives to common landscape trees and shrubs. The Master Gardeners maintain the plantings and make additions and changes as necessary. There are eighteen individual beds scattered along the northwest perimeter of the park. Brochures available at Bed #1 provide a self-guided walking tour and detailed information about the culture and growing habits of the plants displayed. Plants in the collection are labeled for easy identification. Master

Gardener Volunteers of Virginia Cooperative Extension have been developing and maintaining the collection since 1999 with the help and cooperation of Fauquier County Parks & Recreation Department and the Town of Warrenton. Master Gardener Volunteers are available on the 2nd and 4th Tuesday mornings of each month from April to October to answer questions about the Arboretum and horticulture practice. Visitors to Rady Park are encouraged to enjoy the Arboretum in all seasons as the trees and shrubs display their unique and changing foliage during the year.

Instructors Wanted!

Fauquier County Parks and Recreation is in search of individuals with special skills they are willing to share! We are looking for instructors, aids and camp leaders! If you have a passion for pre-schoolers, an insight for Seniors, or programs for people with disabilities, you are needed!

So if you have a talent to share, please let us know. Call a region recreation program coordinator for more information or visit the Fauquier County human resources webpage @ <http://www.fauquiercounty.gov/government/departments/HR/> to submit an application.

Trail Etiquette

PATHWAYS ARE FOR EVERYONE

Be Courteous to All Users

Please be respectful of other users, regardless of their mode, speed or level of skill. Smile and speak to others.

Don't Block the Path

Even when you are in a group or with a pet, use no more than half the path. Do not block the flow of other users.

Be Predictable

Glance behind you before changing position.

Always Use Safe Speeds

Pathways are not for racing. Slow to 5mph in congested areas.

Slower Traffic Has the Right-of-Way

All users yield to slower traffic. Bicycles and skaters yield to pedestrians.

Control Your Pet

Use a leash or hold your pet when approaching or passing other users. Please remove any "evidence" left by your pet.

Keep Right Except to Pass

Use Voice, Bell or Whistle When Passing

Please say, "On your left," when approaching from behind. If you're shy, consider purchasing a whistle or bicycle bell.

Yield When Entering or Crossing Paths and Roads

Always yield to traffic in roadways or when entering the path from trailheads or spurs.

Keep the Pathway Clean

Wear a Helmet

PICNIC & PLAY IN THE PARKS

Picnic Shelters – Now taking rentals for the 2014 season!

Picnic shelters can be used free on first-come, first-served basis or reserved for a special day at the park. There are a variety of shelter sizes to accommodate small gatherings or large events up to 250 people. Half day rentals are 7:00a until 2:00p or 2:30p until dusk and full day rentals are 7:00a to dusk.

A Special Event (\$10) and/or Vendor (\$20) permit may be required. Contact the park you want to rent a shelter in for more details.

Want to play some football, soccer or baseball/softball? Many Fauquier County parks offer fields that can accommodate those activities. Visit **recreation.fauquiercounty.gov** to see everything that each park has to offer and start planning that family adventure right here in Fauquier County!
